'Necessity For Action' Is Sermon

When the fire heats the water in the teakettle, there is necessity for action; When the proper switch is turned, starting the motor, there is necessity for action; When a divine idea comes to man (as it does daily), there is also the necessity for action.

We must activate our ideas or actually suffer physical distress.

God impresses ideas on us daily.

"Are We Putting These Ideas to Proper Use?" will be one of the questions answered by Dr. Earl D. Barnum this coming Sunday at 11 a.m.

'REALITY' THEME OF SERMON

"O Lord, how great are thy works! and thy thoughts are very deep." This verse from the Psalms will be the Golden Text of the Sunday Lesson-Sermon on "Reality" in all Christian Science churches. (Ps. 92:5), 1750 Manuel Ave.

The wisdom, knowledge and understanding of God is highlighted in the sermon by these declarations from the Psalmist (111:2, 3, 7, 8), "The works of the Lord are great, sought out of all them that have pleasure therein. His work is honorable and glorious; and his righteousness endureth forever... The works of his hands are verity and judgment; all his commandments are sure. They stand fast for ever and ever, and are done in truth and uprightness."

LECTURER TO SPEAK ON SUNDAY

Phillip Knox, nationally known as "Harmonizer of Science and Religion" just returned from a summer tour through Canada and the Northwest to present his final screen pictures here at the Torrance Civic auditorium.

The opening lecture Sunday, September 29, at 7:30 p.m., Exploring God's Universe Beyond the Milkyway, is followed by his Wednesday evening presentation of "Exciting Astronomical Discoveries."

Mr. and Mrs. Henry Meissner of 3956 Hawthorne ave., Palos Verdes Estates will again have charge of the half hour music and singpiration preceding the Knox program.

Two million in California alone have attended the Knox lectures and because his pictures are photographs showing the truth about outer space, parents all over the nation have taken their youth and children along to see and hear.

Phillip Knox, direct descendant of the great John Knox of Scotland, is often heard in the largest churches of all denominations and civic auditoriums from coast to coast. There is no admission charge for the Knox programs. Doors open at 7 p.m.
